### **SUMMARY**

**Enthusiasm and energy for working to enhance group programs. Experience as a facilitator of group interactions, program and content developer, coordinator of facility and volunteer logistics, a conference designer and a speaker.**

**Consensus building and organizational training supported by studies in dispute resolution, and action planning. Certification as a yoga teacher. Skilled at communicating through multiple medias with sensitivity to the audience.**

**Served as committee chairperson, Chamber of Commerce board member, active member of numerous volunteer and professional associations.**

**Expertise evolved from preparing and presenting technical analysis and evaluation of environmental and land use issues to large rooms full of frustrated, disgruntled people. Facilitated meaningful participation, through a high quality of educational preparation and group facilitation methods.**

### **EXPERIENCE**
